RE: Freedom of Information Request No. EPA-R4-2017-011494

Dear Ms. Hegney:

This letter is in response to your Freedom of Information Act (FOIA) request dated September 19, 2017, regarding requested information on the pesticides, Imazapyr and Glyphosate.

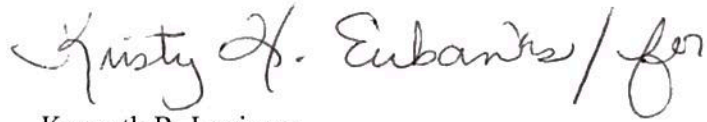

Pursuant to your electronic mail message to Jennifer Pearce, of my staff, on October 2, 2017, you currently possess the EPA Registration number information for the pesticide, Imazapyr. According to Kimberly Tomczak, subject matter expert, the EPA Registration Number 62719-324 is the correct registration number for Glyphosate. In addition, you may wish to contact the manufacturer for information on inert ingredients for these products.

The EPA Public Pesticide Product and Label System provides information about certain products. The requested information is publicly available by accessing the website link: <https://iaspub.epa.gov/apex/pesticides/f?p=PPLS:1>. You can enter in the EPA Registration Number(s) and pull up the label for the product(s). The cost for providing this information has been waived as de minimis.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the National Freedom of Information Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals *received* after the 90-calendar-day limit. Appeals received after 5:00 pm EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above.
